## DEAR MEMBERS,

We hope all of you have been able to get out and enjoy some of the good weather we have had recently.

We hope you enjoy reading everything that is going on with the course. Please remember to email Colin if you would like to post anything regarding the golf course.

## "THE LOOP" - BILL BISTER

There's no better time of the year to celebrate our members in the Military. From all of us at WBGC we thank you for your service.

In this edition of "The Loop" we would like to showcase a former Member and Friend, Bill Bister. Bill had a major role in growing the golf course and our Junior Golf Programs. His passion for the game and willingness to work with junior golfers made him an amazing coach and mentor. Bill also played a major role in the Military. We encourage all of you to look through his impressive career in his book in the clubhouse. Once again, thank you to everyone who has served or currently is serving

## TRIVIA

This weeks trivia focuses on a long standing partnership with the golf course and it's community.

WBGC and Mount Mansfield Union High School have been joining forces to host many tournaments and fundraisers. In fact, MMU's Golf Coach is our very own Jeff Brown. The team has had recent success but unfortunately haven't won a State Championship recently. When was the last time the MMU Cougars hoisted the VT State Golf Trophy?

Remember, if you know the answer there is a chance of winning a small prize. All you have to do is tell Colin in person.

### \*Last Week's Answer:

The mountain that is overlooking our back 9 is actually called "Bolton" Mountain. This may come as a surprise due to the Bolton Valley Ski Resort being located on a separate mountain.
